Cookery Courses

Due to popularity of our cookery course in 2015 we are looking to do some more in 2016.

For the month of January we will try two different courses,.

On Thursdays from 10am to 2pm course focusing on everyday meal preparation, use of convenience foods and preparing simple lunches and dinners.

On Fridays from 10am to 2pm we will be running a session around using recipes, shopping for ingredients and cooking from scratch dishes of your choice.

If you are interested in either of these please let me know as spaces are limited. The costs will be £36 per session including all ingredients.

The expectation is if you are going to come on the course for January you will sign up to all 4 weeks.

We will repeat again in February for different people.
